

SUMMER TECHNIQUE CLASSES

Summer technique classes are intended to help the students maintain their skills that they have worked so hard to perfect over the year and to help them stay fully stretched and flexible for the upcoming season.

As in the past, it is mandatory that all competitive students take a minimum of 9 technique classes throughout the summer in order to guarantee their places on the competitive team.

Classes will be held on Monday and Wednesday evenings from July 10th to August 28th (except the week of competitive dance camp-August 14th to August 17th). The jazz classes may change to contemporary/lyrical throughout the summer, please call or email that week to find out as we have many guest teachers scheduled such as: Evan Supple, Joe Perez, Robin Henderson and Nancy English.

All classes this year will be based on the following table:
